AMUSEMENTS.

"ALL THE RAGE." Everybody on the streets, yesterday, wa City or Lawrence, he should be indeed t.mpt-ed to besieve that the ground in this city was barren and not intended to bear temperance fruit. He referred to had been to be troupe expressed himself perfectly amazed. He said: "I only advertised in THE TIME evening?" And it was on account of the large and fashionable audience that we yesterday expressed ourselves disappointed with the pray. John Dalon is an excellent comedian, his support was good, but "All the large" is exectable. There is nothing to it, entering plot or composition, it affords neither the star nor company a chance to show of what they are company a chance to show of what they are company a chance to show of what they are company a chance to show of what they are company a chance but he is not an author. In that line he is a miserable failure, and John Dillon did his well-earned and brilliant reputation inconceivable damage when he put "All the Rage" on the boards. It is noither a comedy nor a farce, has neither wit or good sense, and would have been a complete and total failure, had it not been for the individuality of Dilaon. How the papers of the Missouri Valley, with the exception of this paper, can commend it, a terms of unqualified praise, surraises us. In Lincoln, Omaha, Council Eluffs, St. Joseph and Atchison they were perfectly deligated. Dillon's genius we admire, and when he comes again we trust he will oring something that is not "all the rage."

Mrs. Dainty's reading at the Opera Hous last night was a justification of the high opin ion which the journals of eastern cities have expressed regarding her, and certainly an au-

dience was never more entertained or better pleased than that which gathered to hear her. The selections chosen by her were of a varied character, affording fuil scope for her versatility, and which well sustained the reputation she has won. The popularity she has gained is well deserved. By request she rendered "The Creed of the Beils," which was heartily encored. Prof. Alex. Harris presided at the piano. She appears again at the Opera House this evening, when she should be greeted with a full house.

SPECIAL NOTICE. A Sure Cure or Piles.

No one need suffer. A positive remesty for all kinds of Piles, allaying the Intense Itching at once, giving Instant relief. An Indian treatment you apply, called Dr. William's Indian Ointment, (prepared only for Piles, and nothing else.) Thousands already cured.

Mr. Joseph M. Ryder, Cleveland, O., writes:

—"I suffered for years with Itching and Ulcerated Piles, tried remedy after a medy advertised, and consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis and this city; and spent hundreds of dollars, but found no relief until I obtained a box of Dr. William's Indian Pile Ointment some four months ago, and it has cured me completely. I had part of a box left which I gave to a friend of mine, who had doctored with many physicians, and as a last resort went to the noted Hot Springs, Arkansas, for treatment. He informs me that the Indian Ointment has also cured him of the Piles. It is certainly a wonderful discovery, and should beused by the many thousands who now are suffering with that dread disease.

For more certificates of cures see large circular around each box of Ointment. Sold by druggists generally.
